Celebrating 15 years of nurturing and preserving the pioneer spirit of traditional American craftwork

Summer Ideas 2010

Beginning Quilting

This class is usually 4-5 sessions and it includes pattern choice, fabric choice, cutting, seaming, pressing, squaring up, and other basic quilting skills. You may a some homework, but most of the work is done in class.
Fee is $60.00 which includes your book or pattern. You are responsible for the fabric and finishing the quilt.

You Learn to Sew

Do you have sewing machine fright? We can help you. This class is 4 sessions and it includes introducing you to your sewing machine, straight stitching, cutting basics, and making 2 simple projects.
Fee is $50.00 and includes all your supplies.

You will receive 10% off all your purchases during class.

Patsy's Notion Basket

We have created this simple, yet useful basket to stash those quilting notions. It sits nicely on your end table or next to your machine. This is a great beginner project that takes about 3 hours.
Fee: $20 includes instruction, supplies, and use of tools.

Suggestions? Is there a pattern you want to try and just haven't gotten started?

Mexican Star is based on the pattern of the same name this is a very pretty table topper or wall hanging. This is not a beginner class. You should have some piecing experience, but it is worth the effort.
Class fee is $35.00 which includes the pattern and instruction.
You will be responsible for the fabric.

Kentucky Garden Basket

From Beth Hester

Create this useful basket with wooden base, braided seagrass and an oak swing handle. It's pretty, it's practical and it's one you'll use often whether outside in the garden or indoors. It takes about 6-8 hours to make. **Fee: $35 includes pattern, instruction, materials and use of tools.**

So your serger is gathering dust! Lots of people have sergers and don't know what to do with them. Let us help you. This is a basic-here is what you can do with your serger class. The first session will be more lecture and demonstration. If you want more we can schedule time to help you with threading, tension, and the best use of the various features.
Fee is $20.

Chair Caning

We will use a footstool to teach the 7-step process by which all caning is done. This is a beginner's class.
Fee: $80 includes footstool, pegs, awl, instruction booklet, and all materials and instruction.

Janice Basket-

This basket has 2 beautifully handcrafted oak swing handles. It is easy to make and recommended for beginners. This is a 5-6 hr. project.
Fee: $70 includes pattern, instruction, and supplies.
